#### 1. New Feature Overview

Ability to convert the Resource Availability Report results into a Bar and a Pie Chart

DreamTeam now allows users to easily convert the results of the Resource Availability Report on the Project Reporter into a Bar or a Pie chart. Below are instructions how to convert your Resource Availability Report into either a Bar or a Pie chart.

#### Displaying Resource Availability Report data in a Bar Chart or a Pie Chart

DreamTeam also allows you to convert your Resource Availability Report into a bar chart or a pie chart as well. To create a bar chart or a pie chart of the time and expense information simply:

1. Once the information has been populated in the report, click on the appropriate icon on the right side of the dialog box.
